

Congress of the United States
House of Representatives
Washington, DC 20515-1302

November 21, 2012

The Honorable John Boehner
Speaker of the House
H-232 The Capitol
Washington, DC 20515

Mr. Speaker,

In 1995 when I was first elected to the House of Representatives I came to Washington with a singular purpose – to serve the constituents of the Second District of Illinois. During that time for seventeen years I have traveled on a journey with the citizens of the Second District of Illinois, and with their unwavering support we have worked together to transform what was once an underdeveloped and nearly forgotten South Side of Chicago.

Along this journey we have accomplished much. We have built new train stations, water towers, and emergency rooms. We have brought affordable housing, community centers and healthcare clinics to those who needed it most. In all, nearly a billion dollars worth of infrastructure and community improvement has been made on the South Side of Chicago and thousands of new jobs have been created. We began this journey by promising fresh water for the people of Ford Heights and a new airport that would employ upon completion 300,000 people. Today the people of Ford Heights have fresh water and sitting on the Governor's desk is 400,000,000 dollar proposal for an airport that will cost the taxpayers nothing and only awaits the Governor's commitment to build it. And while our journey to strengthen our communities and provide a better future for our children will continue, I know that together we have made the Second District of Illinois a better place.

For seventeen years I have given 100 percent of my time, energy, and life to public service. However, over the past several months, as my health has deteriorated, my ability to serve the constituents of my district has continued to diminish. Against the recommendations of my doctors, I had hoped and tried to return to Washington and continue working on the issues that matter most to the people of the Second District. I know now that will not be possible.

The constituents of the Second District deserve a full-time legislator in Washington, something I cannot be for the foreseeable future. My health issues and treatment regimen have become incompatible with service in the House of Representatives. Therefore, it is with great regret that I hereby resign as a member of the United States House of Representatives, effective today, in order to focus on restoring my health.

During this journey I have made my share of mistakes. I am aware of the ongoing federal investigation into my activities and I am doing my best to address the situation responsibly, cooperate with the investigators, and accept responsibility for my mistakes, for they are my

mistakes and mine alone. None of us is immune from our share of shortcomings or human frailties and I pray that I will be remembered for what I did right. It has been a profound honor to serve the constituents of Illinois's Second Congressional District and I thank them for their patience, words of support and prayers during what has been, and what will continue to be a very trying time for me and my family.

I also thank my colleagues and staff for supporting me and the citizens of my district over the past several months. I am proud to have worked alongside each of them over these many years. I know that our work and accomplishments will have a lasting positive impact on our community and our nation.

With optimism and hope I look forward to the day when my treatment is complete and my health improves. I will truly miss serving as a Member of Congress and I will never be able to fully express my gratitude to the people of Chicago, and her Southland for granting me the opportunity to serve them for 17 wonderful years.

Sincerely,
